INTRODUCTION

The Vermont School Data report is provided for the purpose of identifying some facts about each of our Vermont schools to be used by local administrators, state personnel and other concerned citizens.

The information reported is collected locally through the Fall Data collection.

The report is divided into four sections; public, State, parochial and private schools. The public schools are in order by the superintendent's number which is contained within the school number which precedes all information. State, parochial and private schools are shown in that order.

EXAMPLE: Mountain Street School

01	01	031	01
